

# Split LS0H Polypropylene Conduit

RS-SERIES split corrugated conduit is a very economical solution for a variety of applications due to its high flexibility and colour range.

Facilitates easy insertion and reinsertion of cables and as such is often used for cable assemblies, underfloor wiring and cable tidying.

## Features:

- Made from polypropylene
- Temperature range from -40°C to +120°C
- Black in all sizes, colours available in 20, 25 and 32mm only
- LS0H (Low Smoke Zero Halogen)
- UV resistant (Black only)

Product Code	Trade Size	Internal Diameter	External Diameter	Coil Size
RS07B	7mm	6.9mm	9.9mm	50m
RS10B	10mm	8.5mm	11.6mm	50m
RS12B	12mm	10.1mm	12.7mm	50m
RS16B	16mm	11.5mm	16.0mm	50m
RS20B	20mm	16.8mm	20.0mm	100m
RS25B	25mm	19.9mm	25.0mm	50m
RS32B	32mm	26.5mm	32.0mm	50m
RS40B	40mm	32.4mm	40.0mm	25m
RS50B	50mm	41.2mm	50.0mm	25m
