

# Nexxia In-Desk Horizontal AV Sockets

## Technical information

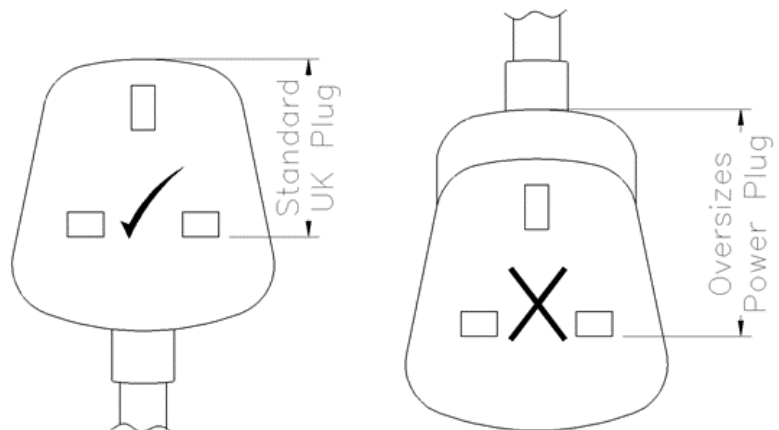

### Introduction

A range of high quality surface mount in desk style units with UK power sockets. Some units have USB A charging points and there are other options also available with HDMI, VGA, 3.5mm audio or keystone Cat6 connections. These are all made from quality aluminium chassis' with black inserts, can be open or closed with self-latching mechanism, requires a desk cut-out of 272 x 90mm (4 module units) or 315 x 90mm (5 module units), caters for desktop thickness of 20mm to 50mm. Items with VGA, HDMI or Cat6 connections feature a quick connect socket on the back and require standard male to male cables for all connections

- Available with 2 power sockets
- Option for 2x Cat6 connectors
- All terminated with 0.5m GST leads
- Interchangeable Cat6 keystone connections.

### Other Keystone inserts available
