## UPS Product Catalogue

# Home and Office

## SPS Home UPS

Small form factor makes this ideal for the home or small office. Featuring offline APFC technology and 3 additional surge protected sockets.

### Technical Features

| Product code | Output Pwr VA | Output Pwr W | Sockets                           |
|--------------|---------------|--------------|-----------------------------------|
| 831992       | 650VA         | 360W         | 6x UK (3 UPS + 3 Surge Protected) |
| 831997       | 850VA         | 490W         | 6x UK (3 UPS + 3 Surge Protected) |

## SPS One UPS

Compact UPS designed for up to 20 minutes of backup, allowing you enough time to safely shut down your systems during a power interruption. Automatic restart when the power is restored.

### Technical Features

| Product code | Output Pwr VA | Output Pwr W | Sockets |
|--------------|---------------|--------------|---------|
| 831998       | 900VA         | 480W         | 2x UK   |
| 832003       | 900VA         | 480W         | 4x IEC  |
| 832000       | 1100VA        | 600W         | 4x UK   |
| 834857       | 1100VA        | 600W         | 6x IEC  |
| 832001       | 1500VA        | 900W         | 2x UK   |
| 832004       | 1500VA        | 900W         | 6x IEC  |
| 832002       | 2000VA        | 1200W        | 2x UK   |
| 832005       | 2000VA        | 1200W        | 6x IEC  |

# Desktop

## SPS Advance T UPS

Line-interactive UPS, designed to ensure the output voltage is always a smooth sine wave, in a compact tower format. Convenient and easy-to-use display, as well as an integrated SNMP slot for remote monitoring.

|--------------|--------------------------|---------------|--------------|---------|---------------------------|
| 832608       | Optional                 | 850VA         | 595W         | 6x IEC  | <a href="#">View here</a> |
| 832007       | Optional                 | 1000VA        | 700W         | 6x IEC  | <a href="#">View here</a> |
| 832008       | Optional                 | 1500VA        | 1050W        | 6x IEC  | <a href="#">View here</a> |
| 832009       | Optional                 | 2000VA        | 1400W        | 6x IEC  | <a href="#">View here</a> |
| 832010       | Optional                 | 3000VA        | 2100W        | 4x IEC  | <a href="#">View here</a> |
| 835020       | Mandatory                | 1000VA        | 700W         | 6x IEC  | <a href="#">View here</a> |

## SLC Twin Pro2 UPS

Advanced on-line double-conversion UPS in a tower format. High output power factor (0.9) ensures availability to all types of load. Full control through LCD display and keypad.

### Technical Features

| Product code | Battery Extension Module | Output Pwr VA | Output Pwr W | Sockets | Runtime Graph             |
|--------------|--------------------------|---------------|--------------|---------|---------------------------|
| 835533       | Optional                 | 700VA         | 630W         | 4x IEC  | <a href="#">View here</a> |
| 835178       | Optional                 | 1000VA        | 900W         | 4x IEC  | <a href="#">View here</a> |
| 835537       | Optional                 | 1500VA        | 1350W        | 4x IEC  | <a href="#">View here</a> |
| 835539       | Optional                 | 2000VA        | 1800W        | 4x IEC  | <a href="#">View here</a> |
| 835541       | Optional                 | 3000VA        | 2700W        | 5x IEC  | <a href="#">View here</a> |
| 835534       | Mandatory                | 700VA         | 630W         | 4x IEC  | <a href="#">View here</a> |
| 835536       | Mandatory                | 1000VA        | 900W         | 4x IEC  | <a href="#">View here</a> |
| 835538       | Mandatory                | 1500VA        | 1350W        | 6x IEC  | <a href="#">View here</a> |
| 835540       | Mandatory                | 2000VA        | 1800W        | 6x IEC  | <a href="#">View here</a> |
| 835542       | Mandatory                | 3000VA        | 2700W        | 5x IEC  | <a href="#">View here</a> |

# Rack / Tower Versatile

## SPS Advance RT2 UPS

Line-interactive UPS, ensuring you always have a smooth sine wave on the output, in a versatile rack or tower/desktop format. Takes up only 2U of space when mounted in a rack.

### Technical Features

| Product code | Battery Extension Module | Output Pwr VA | Output Pwr W | Sockets | Runtime Graph             |
|--------------|--------------------------|---------------|--------------|---------|---------------------------|
| 825481       | Optional                 | 800VA         | 700W         | 8x IEC  | <a href="#">View here</a> |
| 832015       | Optional                 | 1100VA        | 990W         | 8x IEC  | <a href="#">View here</a> |
| 832029       | Optional                 | 1500VA        | 1350W        | 8x IEC  | <a href="#">View here</a> |
| 832031       | Optional                 | 2000VA        | 1800W        | 8x IEC  | <a href="#">View here</a> |
| 832033       | Optional                 | 3000VA        | 2700W        | 8x IEC  | <a href="#">View here</a> |
| 832014       | Mandatory                | 1100VA        | 990W         | 8x IEC  | <a href="#">View here</a> |
| 832028       | Mandatory                | 1500VA        | 1350W        | 8x IEC  | <a href="#">View here</a> |
| 832030       | Mandatory                | 2000VA        | 1800W        | 8x IEC  | <a href="#">View here</a> |
| 832032       | Mandatory                | 3000VA        | 2700W        | 8x IEC  | <a href="#">View here</a> |

## SLC Twin RT2 UPS

On-line double-conversion UPS which can be used either in a rack (only 2U of space) or as a tower/desktop unit. Smart slot for additional SNMP card.

### Technical Features
