

TDUX - Inflatable Duct Seal, size 90

- Flexible and reliable wraparound inflatable sealing system for cables
- Fast and easy to install or remove, even when water is flowing out of the duct
- Independent of duct or cable ovality
- Water and airtight up to 50 kPa (7 psi)
- Environmentally friendly, non-toxic and resistant to chemicals

Product Classification

|                       |                 |
|-----------------------|-----------------|
| Product Type          | Cable duct seal |
| Product Series        | TDUX            |
| Regional Availability | EMEA            |

Dimensions

|                                 |           |
|---------------------------------|-----------|
| Cable Diameter, maximum         | 90.00 mm  |
| Cable Diameter, minimum         | 45.00 mm  |
| Conduit Inner Diameter, maximum | 110.00 mm |
| Conduit Inner Diameter, minimum | 75.00 mm  |
| Length                          | 482.00 mm |
| Width                           | 120.00 mm |

Environmental Specifications

|                          |                                     |
|--------------------------|-------------------------------------|
| Installation Temperature | -5 °C to +40 °C (+23 °F to +104 °F) |
|--------------------------|-------------------------------------|

General Specifications

|                  |  |
|------------------|--|
| Includes         | Inflatable bladder with sealing mechanism  |
| Ordering Note    | When sealing more than two cables in a duct, seperate orderable TDUX-CL clips are to be used |
| Package Quantity | 10   |
